The Deputy Commissioner explained at the outset the importance of suitable observance of the day of the Inauguration of Indian Republic and the need for taking appropriate measures for observing it in a befitting manner. He invited suggestions from the leading Citizens as to how best the function may be observed and as to the forming of Sub-committees for taking necessary action.

The President, Municipal Council, Shimoga stated at this juncture that the Municipal Council which met on the previous day has resolved to observe the day on a grand scale, that for the purpose had appointed a Sub-Committee with powers to co-opt other members if necessary and that it has sanctioned a sum of Rs.2,500/- for expenditure connected therewith. In view of this he suggested that instead of forming separate sub-committees for the purpose which means duplication of work, it is desirable to include in the personnel of the Sub-Committee already appointed by the Municipal Council such of the gentlemen as may be named in this assembly so that there will be co-ordinated effort in getting up a common function.

The assembly then accepted the suggestion and it was resolved that the Sub-committee appointed by the Municipal Council may continue to take action coopting such other members as may be suggested.

The following programme was decided to be followed:

7 - 8-45 A.M. . ..	Procession
9 A.M.	Unfurling of the National Flag.
11 A.M. to 2 P.M.	Poor feeding.
3 to 5 P.M.	Sports.
5-30 P.M.	General Assembly.
7 P.M.	Illumination, Amusements & Variety entertainment etc.,

The Deputy Commissioner thanked the members for their valuable suggestion and appealed to them for co-operating with the Committee for carrying out the celebrations in a grand manner.
